

SPC Recital Hall Parking Instructions

Please be aware of the following parking instructions for the Sacramento Piano Conservatory Recital Hall. We suggest sending this document to all of your guests so they are prepared for parking on your event day.

- Parking is available in all of the spots in front, on the sides, and in the rear of the building. Even the spots marked “Hilti Only” are available, as Hilti is closed during our event hours.
- Parking is also available next door in the Simas Flooring parking lot, and down the side of their building. We have permission from Simas Inc. for this parking.
- Parking is also available on the street Ramona.
